INTERNAL EXAM

STD IX (2ND AND 3RD LANGUAGE)

20 MARKS

- Oral Exam

a) Listening skills 5 marks

- Listen to the unseen paragraph read and fill in the blanks with the missing words. (12 blanks to be filled and 10 correct answers to be considered for evaluation)

Care should be taken to choose a short and simple paragraph with known vocabulary only.

The paragraph should be read out thrice at a slow pace.

1st reading – A student only listens to the paragraph

2nd reading – The student attempts the answers

3rd reading – The student verifies his answers

- Listen to the 10 MCQs read out. The options to the 10 MCQs can be displayed on the screen/the blackboard/or given on a sheet of paper. Every question should carry 3 options.

  The student listens to the questions read out and marks the correct answers on his/her answer sheet.

  All the questions to be based on the information provided in the textbook.

  Please note that the questions should not be based on the segments in the textbook which are not to be formally evaluated.

- A dictation of 6 words for 3 marks and 2 sentences for 1 mark each.

  A list of about 30 words and 20 sentences to be prepared by the teacher and given to the students in advance.

  Care should be taken not to use words which have the same pronunciation but are spelt differently.

  Each word and sentence to be read out clearly thrice.

b) Speaking skills 5 marks

- Read a passage from the textbook.
  At least 10 short passages to be indicated to the students in advance and practised in class.
  Any short passages either from the lessons or from the exercises could be taken.

- Answer to the 5 general questions asked.
  A question bank of 20 questions to be given to the students in advance to prepare.
  Answers expected should not exceed 1 or 2 sentences.

- Talk about any given theme in about 10 sentences. List of themes to be given in advance.

- Assignments 10 marks
  - 2 assignments of 5 marks each
